

Magnolia Springs Library Board Minutes from Friday, February 3, 2017

The following Board Members were present—Mrs. Lolly Turner, Mrs. Alida Given, and Dr. Berengher Brechtel. Also, the new Library Director, Mrs. Melanie O'Donnell was present. Ms. Grace Mattox and Mrs. Frances Cleverdon were absent. Mrs. Grace Mattox had gotten in touch the previous day citing a music commitment at her college that had arisen with short notice. Mrs. Frances Cleverdon called the following day to apologize for her absence, but she had a sudden involvement that had arisen at the same time as the meeting.

The minutes from the past meeting were read, seconded and approved.

Mrs. Melanie O'Donnell was introduced as the new Library Director as of February 1st. It was noted how smoothly she has made the transition. Also noted were the positive changes she has already made. She has already spent hours outside of the job hours required getting paperwork in order and making better use of the small space the library has.

A copy of the up-to-date finances provided by The Friends of the Library was distributed to each person. The successes and improvements of the November fundraiser for the library were discussed. There was also discussion of different options for future fundraising by The Friends of the Library. A group was formed to look deeper into these possibilities.

There was no other discussion so the meeting was adjourned.
